## Vision Statement

The Crossroads of America Council, Boy Scouts of America aims to beneficially involve every eligible child and their family in the fun and adventure of our programs.

We will provide extraordinary youth development programs that: strengthen values, develop leadership skills, provide lifelong learning and instill the habit of service to others. The Crossroads of America Council will be widely acknowledged as a community and national leader in serving youth, families and neighborhoods.

This result will be achieved through the partnership of: children and families, strong community organizations, committed, trained volunteers, and districts, board and staff able to align community resources in support of Scouting and Learning for Life.
